SUMMARY

Results-driven Digital Marketing Specialist with hands-on experience in SEO, Local SEO, Google Business Profile Optimization, Meta Ads, Content Marketing, and WordPress website management. Proven track record in growing online visibility, improving local search performance, and driving customer engagement for F&B and service-based businesses in Dubai.

Skilled in developing and executing data-driven marketing strategies that generate measurable results, including increased website traffic, social media growth, local search visibility, and customer acquisition. Experienced in Meta Ads campaign management, Google Analytics 4 (GA4), Google Search Console, content creation, and performance reporting.

Passionate about helping businesses grow through strategic digital marketing, search optimization, and continuous performance improvement.
